

MIT Study on University Access

Researchers at MIT are running a programme to study ways to expand university access among Year 12/13 students in the UK. You may sign up for either or both of the two waves below.

Sign up here for the **Fall 2024** (Oct / Nov) study on Year 13 students:

☐ https://mit.co1.qualtrics.com/jfe/form/SV_8vomnV73Mcl28PY

Sign up here for the **Summer 2025** (May / Jun) study on Year 12 students:

☐ https://mit.co1.qualtrics.com/jfe/form/SV_oDubjZlZMNkEB5Y

As part of the programme your school will gain access to...

Customised information

Workshops with tailored information about university applications and videos from current university students

University student mentors

Participating students will be matched with university student mentors for one-on-one calls

Subsidised visits to universities

Participating students will receive up to £75 in cost of transportation to visit a university of their choice

Programme evaluation

Assessment of intervention success metrics in expanding choice horizons
